As a payment option, Camden County Board of Commissioners offers payees the opportunity to receive future payments electronically, rather than a paper check. Your payments will be deposited into the checking account of your choice. In addition to having the money deposited electronically, you will also be notified of the deposit by email. The email will provide you with all the information that would normally be on your check stub. To receive payments electronically, you must print and complete this form, attach a voided check and return both to the email or fax number provided above.
