Camden County Government Participates in National Customer Service Week

Woodbine, GA – September 29, 2009: The cornerstone of every successful organization is exceptional customer service. *"Customer service is not something to you talk about - its something you demonstrate,"* said Steve Howard.

To demonstrate our commitment, Camden County Government will participate in National Customer Service Week for the second year in a row during October 5-9, 2009. National Customer Service Week is set aside to recognize the importance of service excellence and to honor those who demonstrate outstanding customer service and who consistently perform their duties with the highest level of professionalism. The employees of the Board of County Commissioners are dedicated to demonstrating our commitment to service. We understand the vital role customer service plays in providing a positive image for our organization.
