FOR IMMEDIATE RELEASE

Camden County Seeking Applicants for the Coastal Workforce Development Board

WOODBINE, Ga. – March 8, 2023 – The Camden County Board of Commissioners is seeking applicants from the hospitality industry to fill one (1) vacancy on the Coastal Workforce Development Board (CWDB) as a County representative.

The CWDB is a unique group of private/public community leaders charged with planning and oversight responsibilities for workforce programs and services in the 10-county region. The CWDB brings together leaders of the private sector, public agencies, education, labor and community-based organizations to focus on the regional labor force, regional economy and the local community needs. Board members are appointed by the local elected officials with a majority of the representatives belong to the private sector.

The Board is responsible for creating a 4-Year Strategic Plan, implementing and evaluating the regional workforce delivery system and providing oversight to achieve the following goals:

- Enhance program coordination and service delivery of WorkSource Coastal operations;
- Understand the skill needs of the employers in the region, identify gaps between these needs and current workforce, and to work to close these gaps;
- Ensure a qualified workforce is ready, willing and able to meet the needs of the regional business customer;
- Renew partnerships with regional private sector, education, training and community development partners to maximize integration and impact of services and to eliminate gaps and redundancies in regional workforce development efforts;
- Youth and young adults have the academic and job readiness skills required by regional employers; and
- Employers have the skilled workers they need to remain globally competitive.

The Board of Commissioners appoints members to the CWDB who serve a term of two (2) years. Please note that meetings are normally held at the Richmond Hill City Center, but may be in other locations as scheduled.
