FOR IMMEDIATE RELEASE

County Administrator’s Brief Now Available

WOODBINE, Ga. – February 15, 2023 – Camden County residents and visitors are now able to learn more about the activities of the Camden County Board of Commissioners through the monthly *County Administrator’s Brief*.

This is a monthly update issued by the County Administrator’s Office regarding various activities and developments of your County Government. The County Board of Commissioners’ annual Strategic Plan communicates the goals and direction that the county is moving towards. This report is not a comprehensive list of all activities that the county engages in, but rather select projects and information to help inform the public of the county’s initiatives. The information in the *Brief* is organized under specific headings, which align to the Strategic Plan of the county, as well as departmental updates.

“We are pleased to offer the monthly County Administrator’s Brief to Camden County citizens,” said County Administrator Shawn M. Boatright. “This is an excellent opportunity for interested residents to learn more about specific projects as well as the daily activities of their county government.”

The report will be produced monthly and released around the middle of each month. The [January Brief \(PDF\)](#) is available online and future editions will be placed on the Camden County website at camdencountyga.gov/AdministratorsBrief.
