FOR IMMEDIATE RELEASE

Camden Celebrates National County Government Month

WOODBINE, GEORGIA – March 31, 2015 – Camden County will celebrate National County Government Month (NCGM) during the entire month of April. The theme for this year's celebration is *Counties Moving America Forward- the Keys are Transportation and Infrastructure*. The purpose of NCGM is to showcase how your county is actively involved in moving America forward through specific projects related to transportation and infrastructure. Other county programs and services that help its communities to grow and prosper will also be highlighted throughout the month.

Scheduled events during April include an art contest with the Camden County High School Art Students where first, second, and third place winners will be recognized Tuesday, April 21, 2015 at the Board of Commissioners Meeting. All submissions will be displayed at the Government Services Building in Woodbine. In addition, display tables will be set up at the Public Service Authority (PSA), Camden County Library, and the County Government Services Building in Woodbine to better inform our citizens of all the services available to them.

Since 1991, the National Association of Counties (NACo) has encouraged counties across the country to raise public awareness and understanding about the roles and responsibilities of counties. "Camden County is proud of the programs and services provided to our residents," said County Administrator, Steve Howard. "I encourage all county residents to take advantage of National County Government Month's outreach events to learn how the county can better assist you and your family."

For additional information or to learn more about other activities scheduled for the month, please contact Camden County at 912.576.5601 or visit our website at www.camdencountyga.gov.

"Leadership that Listens"

STEVE L. HOWARD
County Administrator
