FOR IMMEDIATE RELEASE

**Janice Beckham Named
 Camden County "Employee of the 4th Quarter"**

WOODBINE, GEORGIA – August 10, 2016 – Camden County Government's Employee Recognition Committee is pleased to announce Janice Beckham of the Camden County Finance & Budget Department as our Employee of the 4th Quarter for fiscal year 2016. Janice will be formally recognized with this award at the Board of Commissioners meeting scheduled for Tuesday, August 16, 2016.

Employed with the county for only a year, Janice has embraced her position with open arms and an open mind. In the year since she began, Janice had to learn a new payroll system using the existing financial software, covert that payroll to an outside vendor, and then turn around again and bring it back in house. She has done an outstanding job in making the whole process successful with her attention to detail, a positive attitude, and her understanding of the job.

Always willing to help others and do whatever it takes to get a job done, Janice is a true team player. Her motto is "Give it to me, I can do that." She is prepared to take on new tasks and is always professional, pleasant, and focused on the goal, no matter how stressful. Finance Director Mike Fender appreciates Janice's work ethic, saying "Janice thinks outside the box and goes above and beyond her daily duties without complaint when faced with a problem." "There is no doubt she sets the bar high for being efficient and accurate. And she does it all with a smile," said Nancy Gonzalez, Assistant Finance Director. Janice is truly an asset, not only to the finance department but Camden County as well. Congratulations Janice!

About Camden County: Located in the extreme southeast corner of Georgia, Camden County truly is "Georgia's Coastal Community of Choice." Originally formed in 1777, Camden County is best known for its rich history, natural scenic beauty and Southern hospitality. Our vision is helping to make this the best place to live by preserving and enhancing the history and quality of life, while promoting smart growth and providing an efficient, effective and responsive government.
