# Commissioners Adopt 2017 Action Agenda

**WOODBINE, GEORGIA – February 22, 2017 –** The Board of County Commissioners, at their meeting on February 21, unanimously adopted a new Action Agenda for the County’s Strategic Plan. The Strategic Framework for the future of Camden County is well documented in the *Vision 2032, Goals for 2022* and the new *2017 Action Agenda*. The Strategic Plan is a five-year, outcome-based set of goals with specific issues and projects that need to be addressed by the County, all with measurable objectives.

Revamped in early 2015, the County’s Strategic Plan has been a successful planning model for the future. This past December, Commissioner’s and Management met to review the many accomplishments of 2016 and primarily focused on the action agenda and future direction of the County for the upcoming years ahead.

County Administrator Steve Howard said this process is a large undertaking. “I applaud everyone for their efforts to make Camden’s strategic plan a success. Hard work and dedication to our Action Agenda items ideally lay the framework necessary for a bright future and a successful County Government. It is critically important to continually review, edit and update the Plan to ensure progress towards meeting the strategic goals and objectives.” To view the Strategic Plan, along with our new Action Agenda items, please visit the county website at [www.camdencountyga.gov](http://www.camdencountyga.gov).
